- Kahn Academy – www.khanacademy.org/sat *Free*

TEACHER SUPPORT

8-12 Teacher training for math and English SAT skill expectations

9-12 Teacher training for Science/English and Math ACT skill expectations

Tracking system to house the PSAT/SAT data over time (DMAC)

MARKETING

The importance of ACT and SAT will be marketed to students *and* parents in the following ways:

- Informational pieces such as test dates, prep resources, and presentation notes will be made available to students and parents through the school website, social media, through callouts, morning announcements, and/or flyers on campus.
- Meetings with students *and* parents will be held to discuss what is the ACT and SAT, how the assessments are used by colleges and universities for admissions purposes, and how scores equate to scholarship money.
 - Door prizes offered to students for attending these meetings with parents. Vouchers would be for a set amount to cover the amount of a course or prep book.
- Emphasis on ACT and SAT content will be addressed through core PAP/AP/DC courses.
- Students are recognized at a board meeting that make score average/above national average
 - PSAT/SAT Combine score of 993 as of March 2016
 - ACT Aspire/ACT 21
