WHEREAS, The State of Texas mandated via TEC Sec. 28.014 that each school district shall partner with at least one institution of higher education to develop and provide courses in college preparatory mathematics and English language arts;

WHEREAS, regional independent school districts and charter schools and institutions of higher education in the region jointly recognized an opportunity to create seamless pathways for students to enter into college level work in mathematics and English Language Arts without further remediation;

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained in this MOU and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the above listed members, intending to be legally bound, agree as follows:

1. Scope of Services. Independent school districts, charter schools, and colleges agree to collaborate to develop and maintain college preparatory mathematics and English language arts courses that meet the terms of this agreement as outlined below in the Support and Services section of this MOU. Develop, for this purpose may include roles of providing input to the course design, writing the course, writing the course assessment, reviewing course modules and providing input, or communicating course information.
